Scheduling Request

Scheduling Instructions

We schedule according to a "Session System". Refer to the **Aquatic Safety Summer or Winter Schedule** inside the brochure or on-line for dates & rates. You may enroll your children in any, or all, of the Sessions. This form is for your starting session only. All additional sessions must be requested on a **Session Continuation Form** located poolside or on-line.

- Complete the entire registration form, then return ASAP as class space is first-come, first-serve.
- Your **Family Registration Fee** must be included with this form or you will not be placed on the schedule!
- Check the box next to the location (Corona or Riverside) and the Session # that you first wish to attend.
- For that Session, check the box next to the days you wish to attend. (I.E. M & W, T & Th, Sat, Sun)
- Indicate the time block(s) that you're available in order of preference. (I.E. 1st Choice, 2nd Choice)
- When you check a time box, it tells us that you're available to attend your lesson anytime during that period!
- We will contact you prior to the start of that Session to confirm your exact days and starting times.
- Any requests submitted after the **Last Day To Add** will be added only if availability exists.
- Students are placed according to ability and age. Class levels offered each ½ hour may change based upon demand.
- Children younger than 3 with no previous experience will automatically be placed in a Parent-Tot class.

IMPORTANT NOTICE: Please check your schedule prior to registering for a Session. There will be no "partial month" or "odd day" scheduling as well as no refunds or make-up classes for missed lessons.
